The Ascension Challenge

Ever wonder what it might have been like to be a disciple when Jesus ascended into heaven? He gave them the monumental task of making disciples of all the world. Plus, they'd have to do it without relying on Jesus' physical presence, as they had until then. Were the disciples overwhelmed, uncertain, afraid?

Maybe, yet they went on to spread the gospel throughout the world nonetheless. They rose to the challenge because they fixed their gaze above as they watched Jesus disappear into the clouds.

When we follow that example, offering ourselves as willing servants and keeping our eyes trained on Jesus instead of our circumstances, there's no limit to what God can accomplish through us.
